

Sideboards and Storage units

Supernova

Supernova is distinguished by a soft, linear modernity. Refined, elegantly rounded sides and long, tapered rod legs set outward with rounded heads clearly in view.

SIDEBOARD WITH TWO OR THREE DOORS

The Supernova wooden sideboard, with wood or stoneware top, can have two or three doors. It has a top-socket door opening, wooden shelves and interior in avana textured finish (or matt lacquer on request) and back in the same finish as the exterior. It is therefore also perfect in the center of the room.

SIDEBOARD WITH METAL FRAME AND BASE

The metal rod frame soars to the top of the sideboard and descends continuously to the base, a feature of the entire Supernova collection, designed by Signorotto+Partners.

FINISHES

Choose now for your Supernova sideboard the finishes of metal, stoneware, essences, gloss and matte lacquers and special finishes, metal or cement effect.
